

ONTARIO SPORTS FIELD TRAINING DAY

THURSDAY, OCTOBER 5, 2023
TERAMOTO PARK IN BRAMPTON, ON

An opportunity for hands-on applied learning and connecting with others in the sports turf industry, held on-site at a sports facility. Come learn about sports field challenges, transformations, successes and best practices. See and test out sports turf management supplies and equipment options up close. And we have a fantastic lunch too!

WHY ATTEND?

- Learn from experts about turf trends, new products and services and operational procedures
- See turf maintenance practices demonstrated
- Connect with other people in the industry
- Understand sports field management best practices
- Find out about the latest products, services and equipment
- See products and equipment in use
